- ▲ 95+% Placement record ▲ Periodic Review of curriculum by an academic council
- ▲ Over 20 Training Centres across India with Hostel facilities

We secure your future with your own hands.

Dear Student,

Good Luck for your 10th Std/ 12th Std/ +2/ PUC exams. Now that you are about to complete schooling or college and choosing a career, NTTF could be the answer you are looking for. Here is an opportunity to pursue your career in **Vocational education and training** with a renowned institute NTTF.

NTTF (Nettur Technical Training Foundation) established in 1963 is a reputed educational institution imparting quality technical education in various disciplines at different levels. For more than five decades, NTTF - an educational Foundation is the living symbol of Indo-Swiss co-operation aimed at promoting a purposeful technical education for the youth in India. Our students are well accepted by industries in India and abroad and have a very high employment potential.

The Foundation implements its Programmes of technical training through its more than 20 Training Centres located across India (visit our website www.nttf.org.com for complete information)

Irrespective of publication of results, 10th Std/ 12th Std/ PUC candidates who have appeared for board examination and awaiting results can also apply for NTTF entrance examination.

Placement by our leading Industry Recruiters:

For the past 5 decades there is an increasing demand for students who pass out from NTTF, not only within the country, but also from abroad. Assistance for campus interview and placement are extended by the Foundation. However the students are advised to note that many reputed companies insist on first attempt pass and minimum of 60% marks in all examinations, right from qualifying 10th std onwards for the purpose of recruitment. We are proud to furnish below the partial list of our leading industry recruiters pan India:

M/s. Ace Designers, Anand Group, Apollo Tyres, Ashok Leyland, Autocrat Engineers, Axles India, Bill Forge, Brakes India, CAD-M Tools, Danieli India, Endurance, Electromatics, Fanuc, Fenner, Godrej, Harita Seatings, HBL, HCL, IBM, IP Rings, Indus Tower, ITC, ITW India, JSW, L&T Infotech, Lucas TVS, Mahindra & Mahindra, Maruti Suzuki, Motherson Group, Micropack, Orelikon, Pricol Ltd, Rane TRW, Robert Bosch, Siemens, Sundaram Clayton, Sundaram Auto Comp., Samsung, Spectrum Polytech, Sridevi Tools, Steel Strips Wheels Ltd, Stump Schuele & Somappa Spring, Spicer India, Technocraft Industries, TVS Motor, Titan, Toyota Kirloskar Motors, TATA Motors, Timken, TATA Steel, TATA Growth Shop, Tube Products, Vasantha Tool Crafts, Wipro Infrastructure, etc.

Features of NTTF Programmes

- Placement record of 95+% of our students across over 500 industrial establishments in India and abroad
- Unique Career-oriented Industry-focused Programmes
- Programme designed to equip students to become entrepreneurs
- 4000+ seats offered across NTTF Centres
- Merit Scholarship offered for meritorious economically weaker deserving students
- Assistance in obtaining Educational loans from reputed banks at affordable interest and easy repayment schemes spread over five years after completion of the course

Bangalore, Baddi, Bellary, Bhubaneshwar, Calicut, Coimbatore, Dharwad, Jaipur, Gannavaram, Hyderabad, Gopalpur, Jamshedpur, Kannur, Kochi, Kuttipuram, Malappuram, Murbad, Rudrapur, Sikkim, Tellicherry, Tumkur, Tuticorin & Vellore. (Please opt for any one of the centres of your choice and mention in the Application form)

7.0 Education Loan Scheme:

- 7.1 Many nationalised banks offer loans to the students to pursue NTTf courses as per their norms. If required, NTTf may assist the student to obtain the loan from the bank in special cases.
- 7.2 Scholarship: Deserving meritorious students from economically weaker sections will be considered for NTTf loan scholarship, and the students will have to execute a bond to serve NTTf for two years if called for, after the completion of training with due remuneration as per NTTf norms.

8.0 Nominated Students

- 8.1 Industry Nominated / NRI students: An Industry Nominated programme entitles industry to nominate students for diploma Courses at NTTf at an annual tuition fee of ₹ 96,000/-. A few seats are available to NRI students at a tuition fee of USD 5000 per annum. All nominated and NRI students must satisfy all the eligibility criteria and pass the Entrance Examination like any other student.
- 8.2 Those students seeking admission under industry nomination quota should produce a sponsorship letter from a reputed industry at the time of admission.
- 8.3 Those students seeking admission under NRI quota should be a ward of a NRI or should be sponsored by a close relative who is a NRI.

9.0 Further Education

All successful candidates will receive certificate from NTTf. Some of the Universities have recognized NTTf Diploma for further studies/ lateral entry to BE/ BTech courses. It is the responsibility of the candidate to verify this before seeking admission. Since NTTf Programmes are employment oriented, it is advisable to take up employment in industries immediately after the completion of training at NTTf. Further education may be pursued after few years of experience in industries.

NTTF also conducts Learn and Earn Certificate/ Diploma programs in various manufacturing fields in collaboration with reputed industries, where the training fee and stipend is sponsored by the industry. For further details, contact nearest NTTf Centre or write to enquiry@nttf.co.in.

NOTE: This admission brochure is prepared solely for the guidance of the students seeking admissions to NTTf and hence has no legal status. Students are requested to ascertain all facts stated above before taking admission.
